Deadline:

Are you our new Forecast & Replenishment Specialist?

WHITEAWAY GROUP

Are you the type who gets a kick out of big numbers and bold ideas – and enjoys turning theory into practice? Then keep on reading - this might just be the perfect role for you.

Whiteaway Group started with a simple idea, a commitment to our customers, and with a passion for digital innovation. Today, we're a successful retailer, selling and delivering household appliances across Scandinavia. We're change-makers at heart – it's the very core of everything we do.

In this role, you'll be part of our Commercial Excellence team - a dynamic crew of 8 awesome and dedicated colleagues, all passionate about finding better ways to do things. We are a support/development team within our Commercial department, where we do our very best to develop and optimize everything from prices, assortment, and content to processes, tools, and F&R system.

Here's what you'll be doing:

- Designing new solutions and fine-tuning our F&R system,
- Optimizing our procurement processes and making sure they're smoothly implemented,
- Monthly meetings with our external partner who provides our F&R system,
- Supporting the team in making great purchasing decisions and getting the most out of the system,
- Balancing the tricky task of keeping Out of Stock levels low while staying on budget with inventory.

Overall, your main focus will be to drive a shift from manual purchasing to a more automated procurement process, boosting performance along the way. You'll be the go-to person with full ownership and responsibility for our Forecasting & Replenishment System.

What we're looking for:

- You're ambitious and goal-oriented, with a high level of motivation and a steadfast determination to succeed,
- You have an analytical mindset, combined with a strong competitive nature and personal drive,
- You work in a structured manner, meet daily deadlines, and can stay focused under pressure,
- You are a team player and curious about how your colleagues work and the challenges they face.

We like to think we have quite an amazing workplace, including:

- A dynamic and international environment with room for you to be you,
- Lots of opportunities for your own professional development and for you to make an impact,
- A flat, informal organisation with a high degree of independence and short decision-making processes,
- Attractive settings for the job, to mention some: flexible work hours, health care, lunch scheme, Friday breakfast, gym, and great social events.

Inclusivity at Whiteaway Group

We're committed to creating an inclusive environment for all employees. We welcome applicants

from all backgrounds, beliefs, and identities. If you require specific accommodations during the hiring process or within our workplace, please let us know so we can ensure your application process is as accessible as possible.

Interested? Here's how to apply:

We'll screen and interview on an ongoing basis – so please don't hesitate to apply.

Please note that applications are only accepted via the apply button.
